

Scuola media/economia domestica

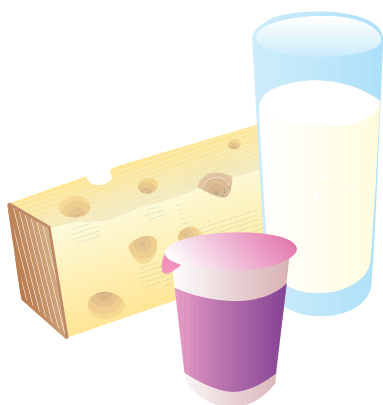

Nome: .....

## Latte e strategia

per 2 o 3 partecipanti

### Istruzioni

- 1 Ogni partecipante sceglie un latticino (latte, yogurt o formaggio).
- 2 La/Il prima/o partecipante traccia una prima linea, orizzontale o verticale, tra due punti di sua scelta.
- 3 La/Il seconda/o e la/il terza/o partecipante continuano nello stesso modo, a turno.
- 4 Man mano, la pagina si riempie di linee.
- 5 Non appena una/un partecipante riesce a formare un quadrato o un rettangolo, può disegnare all'interno il suo latticino.
- 6 Vince chi riesce a disegnare il maggior numero di latticini.

### Informazione

Nel latte e nei latticini si trova molto calcio, un elemento necessario alla salute dei denti e delle ossa. Tre porzioni giornaliere di latte e latticini coprono già  $\frac{2}{3}$  del fabbisogno quotidiano di calcio.
